Subject: California Public Records Act Request: Stockton use of force data

Stockton Police Department
PRA Office
22 East Market Street
Stockton, CA 95202

January 15, 2019

To Whom It May Concern:

Pursuant to the California Public Records Act, I hereby request the following records:

The total number of police use of force incidents, by type of force used, between 2013-2017 (separated by year). Note: both the number of incidents and the breakdown of type of force used should be presented separately for each year.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires.

Sincerely,

Samuel Sinyangwe
